

ProMAC 2019

Detailed Program

Tuesday, 12 November 2019		
17:00-19:00	Registration Desk (14th Floor)	Registration
19:00-20:30	LE CELLIER (14th Floor)	Welcome Reception MC: Mr. Koen Tomita (NTT DATA Corporation)

Wednesday, 13 November 2019

Registration		
9:00-9:30	PYAY Conference Room	Opening Ceremony Mr. Takashi Uesaka, President of SPM/ IPMA-JAPAN, IBM Japan, Ltd., Dr. Jesus Martinez-Almela, President of IPMA, Mr. Win Khaing Moe, Director General of Department of Research and Innovation, Dr. Mie Mie Thet Thwin, Rector of University of Computer Studies, Yangon, Dr. Naychi Lai Lai Thein, Deputy Director General of Information and Communication Technology Research Center, Dr. Tetsuro Seki, Vice President of SPM, Chair of Program Committee, Bunkyo University, Mr. Hideki Kiwaki, Vice President of SPM, FUJITSU LIMITED, Dr. Shigeaki Tanimoto, Vice President of SPM, Chiba Institute of Technology
MC: Ms. Chie Ishii (NEC Corporation)		

9:30-10:30	PYAY Conference Room	Keynote 1 Managing Agile Software Development and DevOps Dr. Tun Thura Thet Vice President Myanmar Computer Federation
MC: Mr. Katsuhiko Nitta (NEC Corporation)		

10:30-10:50 4th Floor Coffee Break

10:50-12:10 Breakout Session1

	RoomA (Bago 4F)	RoomB (Eureka 4F)	RoomC (Bagan 4F)	RoomD (Mandalay 4F)	RoomE (Inle 4F)	RoomF (Nay Pyi Taw 4F)	RoomG (Time Out)
	Mr. Bibhuti Bhusan Das (NEC Technologies India)	Mr. Paul Hodgkins (Paul Hodgkins Project Consultancy Limited)	Prof. Dr. Michio Shimomura (Chiba Institute of Technology)	Prof. Dr. Hideto Ogasawara (Chiba Institute of Technology)	Dr. Yasunobu Kino (University of Tsukuba)	Asoc.Prof. Dr. Chanongkorn Kuntonbutr (Rajamangala University of Technology Thanyaburi)	
A01	The Paradigm Shift to the Fact-based Management Tomonori Matsunami (Sompo Systems Inc.)	B01 Case Study of Project Management in System Development Incorporating Drones Akio Madono (NTT DATA Corporation)	C01 Practical Edutainment (1) Potential of Project Management Board Game for Various Business Fields. Yu Hirose (Hitachi Document Solutions Co., Ltd.)	D01 Innovation Scorecard Ondrej Zizlavsky (Brno University of Technology)	E01 Estimation of Project Collapse Risk Naoki Satoh (Kansas University of International Studies)	F01 A Study of Company-Level PMO Tool Development Using SharePoint Online Shinnosuke Okumura (NEC Corporation)	
A02	What's RFP or RFI and Benefit to Issue RFI Keisuke Hirokawa (Future University Hakodate)	B02 A Case Study of Project Management of Information Security Infrastructure Construction in APAC Region Tomomi Ogushi (NTT DATA Corporation)	C02 Practical Edutainment (2) Proposal of Advanced Acquisition Method of Practical Business Intellect on Project Management Satoshi Kai (Hitachi, Ltd.)	D02 Strengthen Stakeholder Consensus Building Through Digitization Metrics Research of Value Masayuki Takiguchi (Shinko Technomist Co.)	E02 How to Recover from the May Blues Yoichiro Shimma (Hitachi Systems Ltd.)	F02 A Review of Project Success Criteria for Structuring Benefits Akihiko Sekiguchi (FUJITSU LIMITED)	
A03	Study on Safety Culture and Portfolio Management in Construction / Environment Problem Cases Toshiki Shimoike (Asia Engineering Consultant Co.,Ltd)	B03 Aqua Solar Sharing Ecosystem Strategy Through Program Management Hiroshi Kubo (Chiba Institute of Technology)	C03 Trial of Digital Transformation for an SME Utilizing Design Thinking and Agile Approach Wut Yee Phyo (Kobe Institute of Computing)	D03 Open Innovation Initiatives for Efficient System Development Takashi Imoto (NEC Corporation)	E03 Case Study and Proposal of Feedforward Practice for Risk Management in Full IT Outsourcing Service for Large Financial Institutions Takuma Ashiki (NTT DATA Corporation)	F03 The Predictive Detection Method for Problems Focusing on Management of Many Small Scaled Projects Yuusuke Iwano (Hitachi Solutions Create, Ltd.)	
		B04 Introduction of Issues and Cases Addressed in Migration of Gas Companies' Telecommunications Networks Kimitaka Dezaki (NEC Corporation)	C04 Cultural Differences in Multinational Projects and Approaches for Project Managers Keishiro Fukumoto (IBM Japan, Ltd.)	D04 The Point of Performance Test Learned from Case Study of the Global Development Project Shuto Mochida (Hitachi, Ltd.)	E04 Component-based Software Engineering Approach to Development of E-learning System Htet Htet Aung (University of Computer Studies, Yangon)	F04 A Case Study on Implementing Authorization Processes to an Overseas Group Company and Improvement Activities Daisuke Sekiguchi (NTT DATA Corporation)	

12:10-13:50 THE SQUARE (5th floor) Lunch

13:50-15:10 Breakout Session2

	RoomA (Bago 4F)	RoomB (Eureka 4F)	RoomC (Bagan 4F)	RoomD (Mandalay 4F)	RoomE (Inle 4F)	RoomF (Nay Pyi Taw 4F)	RoomG (Time Out)
	Ms. Angelika Nuraini Heriyanto (NTT DATA System Technologies Inc.)	Prof. Dr. Ondrej Zizlavsky (Brno University of Technology)	Dr. Yasunobu Kino (University of Tsukuba)	Prof. Dr. Shigeaki Tanimoto (Chiba Institute of Technology)	Prof. Dr. Akira Yamazaki (Chiba Institute of Technology)	Prof. Dr. Tsutomu Konosu (Chiba Institute of Technology)	
A05	What is Agile Project Manager's Mind Set on the New AI Generation Era Koji Mikami (IBM Japan Ltd.)	B05 Effective Management of Cost Escalation in Roadworks Projects Through Design and Build Procurement System - the Case of Tanzania Pantaleo Rwelamila (Graduate School of Business Leadership, University of South Africa (UNISA).)	C05 Utilizing Management Tools and Techniques in Transnational Project Yetian Luo (Fujitsu (China) Holdings Co., Ltd.)	D05 Effective Failure Event Description Based on the Time Series and the Human Behavior Process Masanori Kajura (NTT DATA University Corporation)	E05 An Approach for Preventing Performance Problems Based on Performance Verification Process Mieko Wada (NEC Corporation)	F05 A Recurrent Education Program for Seniors at a Professional Graduate School Kiyomi Miyoshi (Fukuoka Women's University)	ASIANET Welcome Address Dr. Jesus Martinez Almela, President of IPMA Country Report 1 Mr. Takashi Uesaka, President of SPM/ VP, IBM Japan (Japan) Country Report 2 Dr. Chanongkorn Kuntonbutr, Assoc. Prof., ex-Dean, RMUTT (Thailand) Country Report 3 Aye Kyaw Hlaing, CEO of Vision to Motion Myanmar (Myanmar) Country Report 4 Dr. Lukas Sihombing and Adi Peasetyo IAMPPI (Indonesia) Other Country Reports Submission of presentation material in lieu of participation: China, India, and Korea Discussion Facilitated by Dr. Jesus Martinez Almela Closing Message Dr. Jesus Martinez Almela, President of IPMA
A06	Simulation on Mass Production & Sales Product Development Project by Employing Machine Learning Agent Tsutomu Hayashi (Graduate School of Tokyo City University)	B06 Proposal of Requirement Definition Method for Business Management Information Systems Tetsu Saito (Hitachi Industry & Control Solutions, Ltd.)	C06 How to Deploy the AI and Data Analysis Platform Kakeru Emoto (NEC Solution Innovators, Ltd.)	D06 Study the Consistency Between Clinical Ladder for Nursing Managers and PPPM of PMI Standards Hiroe Miyake (Kawasaki University of Medical Welfare)	E06 Proposal of the Importance of Project Management for Quality Assurance and Schedule Compliance in Projects That Apply Packages Products Takehiro Watari (NTT DATA System Technologies Inc)	F06 Students' Learning of Process Management Through a Project-Based Learning Course: The Role of Teaching Strategies Masako Itoh (Seijo University)	
A07	Education for Overseas Engineers on Review Techniques for Design Documents Yoshinobu Machida (NTT DATA Corporation)	B07 AI Project Life Cycle and Key Consideration Tsunefumi Watanabe (New Energy and Industrial Technology Development Organization)	C07 Characteristics of Growing Process of Young Japanese Top Managers in Myanmar Hidekazu Tanemura (University of Tsukuba)	D07 Start-up of PM Knowledge Community Akinori Yamamoto (Hitachi Solutions Create, Ltd.)	E07 Analysis of Members' Mutual Understanding Process in Conference Forms Natsuki Koseki (Chiba Institute of Technology)	F07 Improvement of PM Mentoring Method in Response to Digital Transformation and Working Style Change Takao Shima (NTT DATA Corporation)	
A08	Case Study of Customer Management in Digital Transformation Projects Shinya Hirachi (Hitachi, Ltd.)	B08 Diagnosing Quality of Design Review by Machine Learning Takuya Saito (NEC Corporation)	C08 Consideration of Advance of Communication Management by Co-project Manager Arrangement to a Subcontractor in an International Development Project Takahiro Chida (NTT DATA TOHOKU CORPORATION)	D08 Implementation and Development of AUN-QA Program Level Assessment at Electronic Engineering Department, Technological University (Thanlyin) Ei Ei Khin (Technological University, Thanlyin)	E08 Non-Conformance Costs (NCC) in Construction Engineering Projects within Company X South Africa Sanele W Nhlabatsi (University of South Africa Graduate School of Business Leadership)	F08 The CSR Framework for IT Human Resource Development Thinn Moe Phyu (Pearl Yadana Software Solution)	

15:10-15:30 4th Floor Coffee Break

15:30-16:30	PYAY Conference Room	Keynote 2 Project Management Training and Education Asoc.Prof. Chanongkorn Kuntonbutr Rajamangala University of Technology Thanyaburi
MC: Ms. Kiyomi Oyama (Hitachi Systems, Ltd.)		

[Note] This program may be changed without previous notice.

ProMAC 2019
Detailed Program

Thursday, 14 November 2019							
8:30-15:00	Registration Desk (4th Floor)						Registration
9:30-10:30	PYAY Conference Room					Keynote 3 Worldwide Trends in Project (PP) Management Dr. Jesus Martinez-Almela IPMA President	MC: Mr. Manabu Jinno (Hitachi Ltd.)
10:30-10:50	4th Floor						Coffee Break
10:50-12:10	Breakout Session3						
	RoomA (Bago 4F)	RoomB (Eureka 4F)	RoomC (Bagan 4F)	RoomD (Mandalay 4F)	RoomE (Inle 4F)	RoomF (Nay Pyi Taw 4F)	RoomG (Time Out)
	Dr. Myint Myint Than (MCF)	Dr. Nan Si Kham (Information & Communication Technology Training Institute)	Dr. Khine Khine Oo (University of Computer Studies, Yangon)	Mr. Susumu Funaki (IBM Japan Ltd.)	Dr. Lukas Sihombing (IPMA)	Dr. Adi Prasetyo (IPMA)	
A09	Next Actions to Life Shift and Diversity Junji Taguchi (IBM Japan Ltd.)	B09 Consideration of Efficiency Improvement in Offshore Development Hiroki Nambu (Hitachi, Ltd.)	C09 The Impact of Change Management on Mining Acquisition Projects: The Case of Harmony Gold Sanele W Nhlabatsi (University of South Africa Graduate School of Business Leadership)	D09 A Study on Quality Auditing for Digital Transformation (DX) Project Morikatsu Hirose (FUJITSU LIMITED)	E09 Research on the Information Literacy Process of Team-approached Medicine. Tomoko Yamamoto (Kawasaki University of Medical Welfare)	F09 Priority Based Offloading Engine for Resource Management in Fog Computing Mi Swe Zar Thu (University of Information Technology)	
A10	Approach to Expediting the Actions to System Errors in the Large Scale System Hitomi Kanazawa (NTT DATA System Technologies Inc.)	B10 Visualizing an IT System Development Program and Removing Interproject Conflicts Kimirari Miyagawa (Mitsubishi Electric Information Systems Corporation)	C10 The Influence of Critical Thinking Attitudes in Inference Process on Consensus Building Masahiro Mori (Chiba Institute of Technology)	D10 Rank-based Feature Selection for High Dimensional Data Thee Zin Win (University of Computer Studies, Yangon)	E10 Approach of Raising Awareness on the Business Model Reform Maiko Okada (NEC Solution Innovators, Ltd.)	F10 Future of Software Process Improvement Activities in Japanese Software Hideto Ogasawara (Chiba Institute of Technology)	
A11	Relationship Between Facial Expression Recognition and Appropriateness of Leaderr Takahiro Harashima (Chiba Institute of Technology)	B11 Introduction and Development of "Quality Assurance Story" Eiji Misumi (NTT DATA Corporation)	C11 IT Team Building by User-Side Bridge SE at Offshore IT Department of JOC Yuki Hayashi (FUJITSU LIMITED)	D11 Analysis and Considerations for Efficient PoC Project Management with Agile in the DX Era Eiichi Kaneko (IBM Japan, Ltd.)	E11 The Effect of Differences in Cognitive Strategies on Self-Conscious Emotional Characteristics Trung Kien Nguyen (Chiba Institute of Technology)	F11 Study on Creation of Customer Business Benefit by "Agile Management Tree" Chika Yoshida (Bunkyo University)	
		B12 A Survey of Decision Tree for Data Streams to Detect Credit Card Fraud Ayeaye Khine (ICTRC)	C12 A Study on Local People's PM Education in Developing Countries Yasutaka Kobayashi (NTT DATA Corporation)	D12 Applying Agile Method to Organization Management Hideki Kamijo (TDC SOFT INC.)	E12 Project Management Execution Support Yoshie Suzuki (Management Solutions co., Ltd.)	F12 An Example of Successful System Reconstruction Project Shunsuke Yamamichi (Hitachi Systems, Ltd.)	
12:10-13:50	THE SQUARE (5th floor)						Lunch
13:50-15:10	Breakout Session4						
	RoomA (Bago 4F)	RoomB (Eureka 4F)	RoomC (Bagan 4F)	RoomD (Mandalay 4F)	RoomE (Inle 4F)	RoomF (Nay Pyi Taw 4F)	RoomG (Time Out)
	Prof. Dr. Akira Yamazaki (Chiba Institute of Technology)	Mr. Ben Bolland (BEVON Gilde BV)	Dr. Nang Saing Moon Kham (University of Computer Studies, Yangon)	Mr. Luo, Yetian (Fujitsu (China) Holdings Co., Ltd)	Prof. Dr. Shigeaki Tanimoto (Chiba Institute of Technology)	Dr. Jesus Martinez-Almela (IPMA)	
A13	Visualizing a Business Risk of IT Dispute Hiroshi Ohtaka (IT Mieruka Institute)	B13 EVM Issues and Utilization Method in Project Cases Takeshi Matsubara (IBM Japan Ltd.)	C13 Practice of Adaptive Stakeholder Management for Project Success Which Respond to Changes Takahiro Okamoto (NEC Corporation)	D13 Management for Realizing Innovations in Large Organizations Kohei Arai (Fujitsu Social Science Laboratory Limited)	E13 Myanmar Stock Named Entity Recognition for High Dimensional data in Local Business News Articles Ei Thwe Khaing (University of Information Technology)	F13 The Cycle "from the Evaluation of Initial Planning at Order to the Post-order Monitoring" by a Third Party Manabu Yamamoto (NTT DATA Corporation)	
A14	Study of Management to Enhance the Social System for Solar Power Generation Yuki Hayashi (Chiba Institute of Technology Graduate School)	B14 A Case of Establishing Methods to Support Quantitative Management of Software Development Projects Kimiaki Sugitani (NEC Corporation)	C14 A Case Study of the Japanese Multinational IT Servicer's Knowledge Transfer to its APAC Subsidiaries Hiroyuki Endo (Japan Advanced Institute of Science and Technology, and iTee Corporation)	D14 Using a Modeling Method of Resilience Engineering for Continuous Improvement of a Local Revitalization Project Shigeru Kusakabe (University of Nagasaki)	E14 A Study on PM Development Focusing on Awareness Naoki Tsujikawa (NTT DATA CUSTOMER SERVICE CORPORATION)	F14 Examination of the Project Management in the Requirements Definition Phase Takanori Imaizumi (Hitachi Social Information Services, Ltd.)	World Cafe Start-ups and traditional companies - how does it fit together? Facilitator : Mr. Reinhard Wagner, Ex-President of IPMA
A15	Implementing E-waste Management for Reducing Energy in Green Networking Environment Through Virtualization Su Su Win (Computer University, MyitKyina)	B15 Practical Use of In-project PMO for Projects with Short Delivery Times and Many Stakeholders Tomomi Katsura (FUJITSU LIMITED)	C15 Solution to Communication Gap in Project Involving Collaboration with Foreign Stakeholder at Remote Location Misa Sameshima (IBM Japan, Ltd.)	D15 Concept of Project Management by Introducing Automation Keisuke Ishigou (NTT DATA System Technologies Inc.)	E15 Management and Support Methods Required to Deploy the AI Service Business Globally Naoto Kaneko (NEC Solution Innovators, Ltd.)	F15 A project to Solve agricultural problem by using Naive Bayes Multinomial Classification of Machine Learning Khine Khine Zin (Information and Communication Technology Training Institute)	
A16	Effects of Activities to Improve Operations of a Large IT System by Using ITIL and CMMI Masaki Kigure (NTT DATA Corporation)		C16 Making Sense of Project Management Messes in Geographically Dispersed Project Teams Pantaleo Daniel Rwelamila (UNISA Graduate School of Business Leadership)		E16 Key Points for Project Manager to Perform the Capability in the Globally Standardized Project Oversea Susumu Funaki (IBM GBS)	F16 The Goals of Learning and Work for Adult Students Studying Project Management Yumiko Miyake (Advanced Institute of Industrial Technology)	
15:10-15:30	4th Floor						Coffee Break
15:30-16:30	PYAY Conference Room					Keynote 4 Key Elements to the success of system development project for Myanmar government - Myanmar-Japan Joint Project MACCS/MCIS - Mr. Minoru Umehara Vice President and Head of Public Division 2, NTT DATA Corporation	MC: Mr. Takeshi Hojo (NTT DATA Corporation)

[Note] This program may be changed without previous notice.

ProMAC 2019
Detailed Program

Friday, 15 November 2019											
8:30-15:00	Registration										
9:30-10:30	PYAY Conference Room	Keynote 5 The Power of Portfolio Management Mr. Paul Hodgkins Executive Director, Paul Hodgkins Project Consultancy Limited				MC: Prof. Dr. Akira Yamazaki (Chiba Institute of Technology)					
10:30-10:50	4th Floor										
10:50-12:10	Coffee Break										
10:50-12:10	Breakout Session5										
	RoomA (Bago 4F)	RoomB (Eureka 4F)	RoomC (Bagan 4F)	RoomD (Mandalay 4F)	RoomE (Inle 4F)	RoomF (Nay Pyi Taw 4F)					
	Mr. Keishiro Fukumoto (IBM Japan Ltd.)	Prof. Dr. Hideto Ogasawara (Chiba Institute of Technology)	Prof. Dr. Masako Itoh (Sejo University)	Mr. Yoichiro Shimma (Hitachi Systems Ltd.)	Mr. Paul Hodgkins (Paul Hodgkins Project Consultancy Limited)	Mr. Ben Bolland (BEVON Gilde BV)					
A17	Analysis of Learners' Behaviors During Role-Play Training in Project Management Education Taichi Nakamura (National Institute of Informatics)	B17	A Study of Risk Management for Public Business with Highly Confidential Personal Information Hikaru Uekusa (Chiba Institute of Technology)	C17	Needed Functions on Co-Creation Environment of R&D Projects for Elderly People Yasushi Togo (Kyushu University)	D17	A Study of Learning Process in Agile Development Project Implementation Takahiro Yamauchi (CRESCO LTD.)	E17	Project Management Improvement for Projects of IT Services in India Neeraj Bhagat (Hitachi Systems Micro Clinic)	F17	Accomplishments and Lessons Learnt Through Activities to Build a Team for Maintenance and Operation of IT System by Myanmar Local Members Akihiro Mitsuhashi (NTT DATA Corporation)
A18	Reforming Software Engineers' Work for Providing IT Services Operations Atsuko Matsumoto (FUJITSU LIMITED)	B18	The Role of PM in Balancing Maintenance and Large-scale Development Projects Takahiro Hori (IBM Japan Ltd.)	C18	Case Studies of Global Security System Implementation Specifically Focusing on Schedule, Stakeholder, Communication and Risk Management Masahiro Ohira (NTT DATA Corporation)	D18	A Project to Improve an IT Training Course by JICA Volunteer Program in Myanmar Kazutoshi Shimanaka (JICA senior volunteer)	E18	Analysis of Stress by Emotional Labor and Type A Behavior Pattern Yuto Uchiyama (Chiba Institute of Technology)	F18	Effect of Type A Behavior Pattern on Leadership Kohta Muramatsu (Chiba Institute of Technology)
A19	Advantages and Limitation of ERP Software Soution for Non-Profit Humanitarian Organizations Khaing (University of Computer Studies, Yangon)	B19	Introduction of the Concept of Personal Software Quality Bibhuti Bhusan Das (NEC Technologies India Private Limited)	C19	The Study on Factors Affecting of Work Motivation in Thai Organizations Phenpimon Wilairatana (Chiba Institute of Technology)	D19	Agile Essences to Be Incorporated into Waterfall and Their Effects Norio Maeda (IBM Japan Services Company Ltd.)	E19	System Quality and Productivity Improvement by Pilot Development. Takumi Noda (NTT DATA System Technologies Inc.)	F19	Recurrent Education for Senior IT Engineers to Promote Social Projects Hitoshi Hirai (Chuo University)
A20	A Study on Setting Up a Service Desk for the Shared System Used Among Multiple Countries and Regions Across the Globe Yasutaka Yuki (NTT DATA Corporation)	B20	Renovation of Management IT Platform by Leveraging SAP S/4 HANA Naoyuki Matsumoto (Hitachi Systems, Ltd.)	C20	Promotion of Collaboration with IT Vendors Using the Future Center Hitoshi Tsunoda (Nagoya University of Economics)	D20	Awareness of Policy Anomalies with Ruled-Based Firewall Htay Htay Yi (Information & Communication Technology Training Institute)	E20	A Study of Improvement in Selecting Methods for PBL Team Members According to High Priority Purpose Ryo Tamada (Chiba Institute of Technology)	F20	The Factors Survey on Practical Project Management for ICT Project Training in Myanmar Nan Si Kham (Information and Communication Technology Training Institute)
12:10-13:30	THE SQUARE (5th floor)										
12:10-13:30	Lunch										
13:30-14:30	PYAY Conference Room	Keynote 6 Achieving better business outcomes with an ISO PMSS Plug-in? Mr. Ben Bolland Project and quality management consultant, auditor, Het BEVON Gilde BV				MC: Ms. Natsuko Sato (Hitachi, Ltd.)					
14:30-15:00	PYAY Conference Room	Closing Ceremony Mr. Takashi Uesaka, President of SPM/ IPMA-JAPAN, IBM Japan Ltd., Dr. Jesus Martinez-Almela, President of IPMA, Dr. Naychi Lai Lai Thein, Deputy Director General of Information and Communication Technology Research Center, Dr. Tetsuro Seki, Vice President of SPM, Chair of Program Committee, Bunkyo University, Mr. Masaaki Nomoto, Vice President of SPM, Hitachi, Ltd., Dr. Shigeaki Tanimoto, Vice President of SPM, Chiba Institute of Technology				MC: Ms. Misa Sameshima (IBM Japan Ltd.)					
16:30	Move to "Karaweik Palace"(by Pick-up Bus:meeting at Conference Lobby, Departure Time 16:30)										
17:30-19:00	Karaweik Palace	ProMAC Gala Dinner				MC: Mr. Toyoki Hanagata (Fujitsu Learning Media Limited) Ms. Mayuko Tomita (FUJITSU LIMITED)					

Saturday, 16 November 2019	
by pick-up bus	ProMAC Fact Finding Tour (meeting at Conference Lobby) Group 1 Departure 09:00/ Back to Novotel 15:00 (for JAL via Bangkok and other evening flight travelers) Group 2 Departure 11:00/ Back to Novotel 17:00 (for ANA and other night flight travelers)
